Our Lady of the Rosary, Pray for us!

Our Catholic tradition connects St. Dominic (1170-1221) to the Rosary, as history reveals that St. Dominic was the first to preach and teach the Rosary as a form of meditative prayer and the first to see the benefits reaped from meditation upon its mysteries.

Dominic Guzman, a Spanish priest, traveled into France preaching against the Albigensian heresy in 1208, but his efforts gained few conversions and even fewer followers. In his frustration, he fasted and prayed for three days, asking God to provide him what he needed to overcome his struggles of reaching the people. God sent three angels along with Mary the Mother of God, who told him to "Pray my Psalter and teach it to your people. That prayer will never fail".

In 1213, only five years after St. Dominic was given the Rosary, Catholic forces were facing a bleak situation against Albigensians who were determined to take over France. They faced overwhelming odds with only 1500 men, while their foe had 30,000. St. Dominic and others prayed the Rosary for protection. In God's goodness, the victory was declared for Christ and Our Lady of Victory (later known as Our Lady of the Rosary).

This miraculous event is celebrated every October 7, on the Feast of Our Lady of the Rosary. Our Lady's gift of the Rosary remains a vital tool to winning the battles in our own lives. Take some time to pray the Rosary today during this month of the Rosary.
