

St. Jude Catholic Church

REDMOND, WASHINGTON

From the desk of our Pastor

October 8, 2021

Dear friends in Christ,

This week we celebrate the feast of the Church's great doctor of prayer, St. Teresa of Avila. She has much to teach us about prayer and contemplation. If there is anything that this society and nation need more of, it is prayer and contemplation. St Teresa reminds us to approach God as a friend. Admittedly he is much greater than us, but he has drawn near to us through his Son. As such, we have access to Him who is our Savior and Lord and can converse with him intimately in prayer. Too often we forget that we can pour out our thoughts and concerns to him in the silence of our hearts. The principal thing is that we allow quiet time with the Lord so that we can not only speak to him, but, most importantly, we can listen for his voice.

I want to conclude with the words of her bookmark which have always sustained me. I come back to them often, and I think they are an important to remember frequently amid the tumult of this world:

***Let nothing disturb you,
Let nothing frighten you,
All things pass away:
God never changes.
Patience obtains all things.
He who has God
Finds he lacks nothing;
God alone suffices***

~Teresa of Jesus

Please know that you are in my prayers while I am away. I look forward to seeing you when I return next week. May God keep you always in his Joy, Peace and Love!

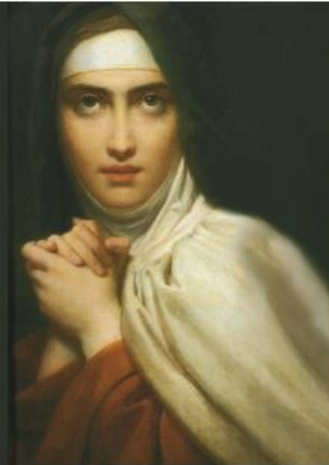

Sincerely in Christ,
Fr Johnson

WORLD MISSION SUNDAY

Next weekend, we will celebrate World Mission Sunday. Pope Francis invites the entire Church to support mission dioceses in Africa, Asia, the Pacific Islands, and parts of Latin America and Europe, where priests, religious and lay leaders serve the world's most vulnerable communities. Please keep the Pope's missions in your prayers and be generous in next week's collection for the Society for the Propagation of the Faith.
